THE SPECIALISTS'
GUIDE TO
GOOD SLEEP

SHREE MALANI GROUP

CENTURY FIBRE PLATES PVT. LTD.

SHREE MALANI FOAMS PVT. LTD.

Centuary was established in 1988, and has 25+ years of expertise as 'India Ka Sleep Specialist'.

It combines world-class infrastructure with cutting edge products to deliver superior consumer experience and satisfaction.

Centuary also has an extensive network of distributors and retailers through which it caters to the needs of one billion people who deserve a good night's sleep.

Shree Malani Foams was established in 2008 and has quickly emerged as one of India's leading manufacturers of high quality polyurethane (PU) foam.

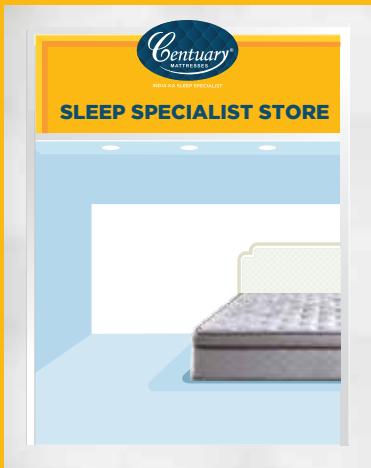

German technology is employed to produce a wide range of foam products that find application in furniture, mattresses, automobiles, and several other industries.

INFRASTRUCTURE

Century boasts of top of the line manufacturing facilities to produce high quality mattresses and all their major components in-house. Century is the only company in India to employ European technology and equipment in production of PU Foam, Bonnell Spring, Pocketed Spring, Rubberised Coir, Quilting, etc. This helps in maintaining high quality standards, while providing scope to constantly innovate.

CENTURY SLEEP SPECIALIST STORES

Century exclusive brand store formats fall under 2 categories - **Century Sleep Specialist Stores & Century Comfort Stores**. These have been established since 2012 with the following objectives:

- Display of entire range of mattresses and accessories.
- Enhanced experience and information for the consumer.
- Company-designed in-store merchandising.
- To increase loyalty and brand connect amongst new customers.
- To create an experience centre to aid informed purchase decision.

VALUES

WE GO BEYOND COMFORT

Comfort is mandatory. A hygiene factor. We take it to the next level and ensure our mattresses are designed to support your life-style, your sleep-style, your body, your aspirations.

WE ARE THE SPECIALISTS

Through continuous research and understanding - of both consumers and our products - we will continue to be leaders in thought and development.

WE BELIEVE IN MATTRESS TECHNOLOGY

Technology is our open secret. We use it to make our mattresses world-class. In design, form, structure, construction. Technology, combined with understanding, leads us to innovation.

ACCESS FOR ALL

We make mattresses for everyone who deserves a good night's rest! And then we make sure they're always within reach - in terms of offering a range of price points, diversity of products, product lines, accessories and of course, delivery channels.

COMFORT ACCESSORIES

PILLOWS • CUSHIONS • BED BASES • HEADBOARDS

PILLOWS

FIBRE PILLOWS

These easy-to-care-for pillows are made with specially treated low-siliconised fibre for superior cushioning and to suit all sleeping positions.

PU FOAM PILLOWS

The PU Foam pillows from Centuary are engineered using the best quality Polyurethane Foam and a soft, breathable fabric cover.

MEMORY FOAM PILLOWS

With zero resilience, temperature-sensitive Visco-elastic Foam core, these pillows facilitate the perfect cervical alignment of the spine, and ensure that you get a good night's sleep, irrespective of your sleeping position.

CUSHIONS

Century cushions come in a wide variety of shapes and sizes. Made of Rubberised Coir, the cushions retain their dimensions and elegance even after prolonged use.

BOLSTERS

Century bolsters offer you a choice of Rubberised Coir and Polyurethane Foam. Great to look at, and even better to lean back on, these bolsters are the definitive comfort accessories.

HEADBOARDS

Headboards from Century are specially designed to fit any décor and guaranteed to make heads turn. Choose a headboard that matches your personal style.

BASES

Bed bases from Century enable you to enhance the durability and comfort of your mattress.

Mattress Materials

Pocketed Spring

Individual springs encased in fabric pockets, every spring acts independently to support the body.

Bonnell Spring

These are more affordable interconnected springs joined together into a single unit using spiral wire.

Rubberised Coir

100% natural and breathable, ideal for hot and humid countries like India. Centuary is India's largest exporter of Rubberised Coir.

Rebonded Foam

This is an amalgamation of fine foam chips bound together to form a support material. Ideally used in combination with Rubberised Coir or PU Foam.

PU Foam

Commonly used cushioning material, this forms an integral part of any mattress. Centuary uses only 100% pure and high grade foams in its mattresses.

HR Foam

High Resilience (HR) Foam provides greater bounce and comfort in comparison to conventional foams.

Profiled Foam

These foams are differently shaped in order to allow superior air flow through the mattress.

Memory Foam

Special type of foam that moulds itself as per the body contours, thereby eliminating pressure points.

Ortho Foam

This is a proprietary foam which is quite hard and gives higher support to the spine and helps maintain correct posture while sleeping.

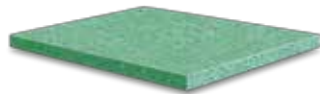

Latex-like Foam

Premium High-density Foam for higher durability and better quality of sleep.

Quilted Fabric Cover

Every Centuary mattress is finished with an extra layer of foam padding that is quilted together with the outer cover.

Green Gel Memory Foam

This latest innovation incorporates beads of proprietary Green Gel, which help maintain cooler temperature by preventing heating of the foam or mattress.
